James

Do you know anything about this? See below. EPA is still on-site and working.

Thanks

Hal/Abigail:

I wanted to make you aware that the City of Houston has sent notices (see attached) to David A. this week stating that all water services provided to 4904 and 4904 ½ Griggs Road will soon be turned off. We stopped paying the utility bills some months ago as the estate was running out of money. Wayne wanted me to make you aware of this matter so as not to have a negative impact on the clean up efforts of the facility currently in progress.
